Subject: Duane Marine - Removal Site Evaluation

To complete the File I will be sending, to your attention, a hard copy of the final Removal Site Evaluation (RSE) and Health Consultation for the Duane Marine Site. I believe that current negotiation will move the Site in the direction of NPL listing and PRP action, but should all else fail, it appears the Site would meet the criteria for a Removal Action.

Please feel free to contact me at 732-906-6982 if you have any questions or need to discuss further.
